

Orange County Academy of Sciences and Arts  
Development Advisory Committee Meeting -  
December 5, 2019  
December 05, 2019  
1:00 pm-2:00 pm Pacific Time

## Mission Statement

Orange County Academy of Sciences and Arts is a school for children between Kindergarten and 8th Grade, placing an emphasis on the academic, social and physical development of children in the areas of Science, Technology, Engineering, Arts and Mathematics. OCASA provides an education that respects the development of the child by using a proven pedagogy applied by an experienced and friendly team. The school provides an environment that is welcoming of students and their families to learn in harmony favoring a multi-cultural spirit and awareness of the world we live in.
